

## **Introduce a Girl to Engineering Day February 21, 2008**

**Where: Midland College Main Campus  
(Carrasco Room – formerly Road Runner Room)**

**When: 11:30 to 1:30 Lunch will be provided**

The Permian Basin Society of Petroleum Engineers in conjunction with National Engineers Week will host the 4<sup>th</sup> annual 'Introduce a Girl to Engineering Day' at Midland College on February 21, 2008.

All local high school sophomores, juniors, and seniors girls are invited!

Exciting New Format!

Encourage your daughter, niece, granddaughter, and other young women to attend. They can come and see what engineering is all about, and win great prizes!

For more information about the event:

- Contact the local high school math or science department
- Contact Chad Brown at (432) 699-7100.
